Employee Handbook

CONFIDENTIAL - FOR EMPLOYEE USE ONLY
Last Updated: April 2026

Welcome to Restore

Welcome to the Restore team! We specialize in property restoration services including water damage, fire and smoke damage, and mold remediation.

This handbook outlines our company policies, safety requirements, and expectations. As a restoration professional, you play a critical role in helping families and businesses recover from disasters.

Company Mission & Values

Mission: To restore properties and peace of mind with rapid response, expert craftsmanship, and compassionate customer service.

Our Core Values:

1. Rapid Response - Every minute matters in restoration
2. Safety & Compliance - IICRC standards at all times
3. Empathy - Our clients are going through difficult times
4. Technical Excellence - Proper remediation, done right
5. Integrity - Honest assessments and fair pricing

Employment Policies

Work Hours: Restoration is an emergency-response industry. Standard hours are 8:00 AM - 5:00 PM, but on-call rotation is required.

On-Call Policy: On-call technicians must respond within 30 minutes and arrive on-site within 2 hours.

Dress Code: Company uniforms with Restore branding are required on all job sites. PPE requirements vary by job type.

Pay Schedule: Bi-weekly direct deposit. Overtime rates apply for hours exceeding 40/week.

Certifications & Training

All restoration technicians must obtain IICRC certification within 6 months of hire.

Required certifications by role:

- Water Damage Restoration Technician (WRT) - all field technicians
- Applied Structural Drying (ASD) - senior technicians
- Fire & Smoke Restoration Technician (FSRT) - fire damage crews
- Mold Remediation Technician (AMRT) - mold remediation crews

Restore covers the cost of all required certifications and continuing education.
